THANKS FOR THE MEMORY! On Sunday 12th May at 5:00pm at The Spire we will be joining together as a church community to give thanks for all those who have walked with us on this long journey but who have sadly died or moved away before The Spire's completion. Poole Methodists came together at Easter 2008 at Ashley Road church. Two things we would ask;

1. Please book the date and remember that this time of thanksgiving is for all members and friends of Poole Methodists and not just those of the former five churches.
2. We will be gathering names from a variety of sources but please let Barry have any names of those who you would want to be remembered on the above occasion. Whilst 2008 is the starting point from which to gather names we do anticipate that there may well be some names that predate 2008. Let this be a time of joyful thanksgiving as we move forward into a new phase of work enriched by the past and enthused for the future. Thanks. Barry.
